Commissioner for Patents

Dear Sir:

Pursuant to Applicants' duty of disclosure under 37 C.F.R. § 1.56, Applicants hereby submit this Information Disclosure Statement along with the enclosed Form PTO-1449.

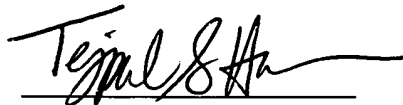

As set forth in 37 C.F.R. § 1.98(a)(2), the requirement for a copy of each U.S. patent or U.S. patent application publication listed in an Information Disclosure Statement has been eliminated, unless required by the U.S. Patent and Trademark Office. (See also, MPEP § 609.04(a)(II), Rev. 4, October 2005, page 600-147). Accordingly, a copy of each U.S. patent or U.S. patent application publication is not being provided.

Applicants do not admit that any of the cited documents, alone or in any combination, are considered to be material to patentability as defined in 37 CFR § 1.56(b). Moreover, the

inclusion of these documents is not to be construed as an admission by Applicants that each such document is prior art as to the above-identified patent application.

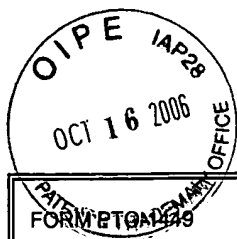

Because this Information Disclosure Statement is being filed prior to the mailing of a first Office Action on the merits, Applicants believe that no fees are due. However, the Commissioner is hereby authorized to debit Deposit Account No. 50-2198 for any fee deficiencies associated with filing this paper.

Respectfully submitted,
